Type-1 Female EV Plug Assembly

SAE J1772 Female Connector

JT Mobility 32A SAE J1772 Single Phase AC Type 1 Female electric car plug is designed to create a custom EV charger by selecting the desired cable length and connectors. Our This type1 connector meet the US standards. Plug connector comes as a component including the correct resistance required for assembly. This is not a complete charging cable; you use the components offered here to mount a complete charging cable type 1 for self-assembly.

Key Features

- EV plug j1772 meet UL 2251:2013, C22.2 NO 282-13 standards.
- Plug in/pull out >10000 times
- Body is made with High Grade ABS and Thermoplastic Material
- Rated with IP55 (working condition).
- Anti-flaming, pressure-resistant, impact resistance material
- Pin Material: Copper Alloy & Silver Plating
- Better Conductivity and Higher Energy Transmission
- Nice appearance, hand-held ergonomic design, easy plug
- Assembly includes Pins, Cable Gland, Cable Clamp, Body, and Resistor

Specifications

	JTEVG1PT1F-1	JTEVG1PT1F-2
Rated current	16A	32A
Operate Voltage	110-250V AC , Single Phase	110-250V AC , Single Phase
Standard	SAE J1772 Standard Type 1	SAE J1772 Standard Type 1
Insulation resistance	>1000M Ω (DC500V)	>1000M Ω (DC500V)
Temperature Resistance	<50K	<50K
Withstand Voltage	2000V	2000V
Contact Resistance	0.5 megohm MAX	0.5 megohm MAX
Mechanical life	No-load plug in / plug out > 10000 times	No-load plug in / plug out > 10000 times
Material	Thermoplastic, Flame retardant grade UL94-0;	Thermoplastic, Flame retardant grade UL94-0;
Contact Pin	Copper Alloy, Silver or Nickel Plating	Copper Alloy, Silver or Nickel Plating
Operating Temperature	-30C to +65C	-30C to +65C
Protection Degree	IP55 (Working Condition)	IP55 (Working Condition)
Plug Type	Female	Female

Company Profile

JT Mobility Pvt. Ltd. is a Mumbai, India based manufacturer, associated with Jayani Technologies LLP established in 2011. We are focusing on the design, production, after sale service and marketing of electric vehicle charging components and onboard charging system, we are specialized in various Electric vehicle portable chargers, sockets, charging cables, plug & connectors to national and international standards.

JT Mobility is an ISO 9001:2015 certified company, Our Strong R&D team and unmatched integration team enable us to be fast, flexible, and efficient when providing different solutions to our customers. JT Mobility is highly recognized and trusted by customers for its innovative technology, excellent manufacturing capability and perfect service system. Our vision is to transform EV Industry with the leading technology and to provide cost effective products & solution to EV user, vehicle manufacturer, EVSE, Automobile Dealers and EV Infra provider at competitive prices.

Why Us!

Our Team

JT Mobility is founded and managed by well experienced senior executives from the Industry, with rich and extensive experience in the leading organizations. Keeping in mind the new & changing technology and demands of the industry, we have employed highly skilled team of professionals.

Our Commitment

JT Mobility is committed to becoming a world-class provider of cable solutions for new energy vehicles, and a leader in the EV charging cable products & solution.

Our Vision

To create versatile cutting-edge solutions for all automotive industries

Our Mission

To provide ingenious, virtuous, and energy-efficient solutions.

Our Values

Respect, professionalism, and determination are the values that are the foundation of our culture

Support

Help-Desk (24x6)

Our help desk center is the most extensive information resource in the world. With just a phone call or an e-mail, you can be in touch with a team of trained information specialists and technical experts that are ready to answer your questions and provide you with the information you need. They have an array of resources at their fingertips including product brochures, samples, product specification sheets, case histories, application notes, white papers, technical article, training materials and much more. E-mail at support@jt-mobility.com for any kind of support.

Warranty

1 Year Standard warranty on all the products. We provide free lifetime technical support for all our products. Warranties provided are specific to each product. Warranty period, starting from the date of original purchase. If no proof of purchase (receipt or invoice of purchase) can be presented upon request.

Private Labeling
